NOTICE OF LOCATION
AND DESIGN APPROVAL
CSSTP-0007-00(666)
Charlton County
P. I. #0007666

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: December 30, 2013.

The project consists of improving the insufficient storm drain systems that allow excess water to pond on the existing roadways during significant rainfall events

Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to:

Genetha Rice-Singleton
 State Program Delivery
 Engineer

Program Delivery
 Attn: Robert P. Murphy

Any written request or communication in reference to this project or notice SHOULD include the Project and P. I. Numbers as noted at the top of this notice.

627 1/8-1/29

along SR 4/US 301 from CS 417/Bay Street to CS

462/Main Street and along SR 23 CS 428/Magnolia Street to CS 462/Main Street within the Folkston city limits. This project is located in Georgia Military District 32 (GMD).

To alleviate the problem, existing drainage structures will be replaced, and additional drainage structures will be added to capture more of the pavement drainage in order to reduce gutter spread. The project length along SR 4/US 301 is approximately 0.53 miles from milepost 3.87 to milepost 4.24 and the project length along SR 23 is approximately 0.33 miles from milepost 35.49 to milepost 35.82.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
